VIEWBOOK 2024 – 2025
Sarnia, Ontario

Welcome to Lambton College.

At Lambton College, learning is personal, caring and connected to the knowledge, skills and strengths our people, communities, and industries need to thrive. Learning and research take place in community settings, from healthcare to engineering, where our students and partners apply new methods and ways of working that accelerate solutions for our most important challenges.

By fostering close connections between our students, our communities, and our college, we help people develop the care, compassion and capability to build better lives, a stronger society, and healthier futures for all.

PRESIDENT'S MESSAGE

One of the greatest privileges I enjoy as President of Lambton College is welcoming Lions to this pride.

I do so knowing this is a College that embraces and supports all students, and encourages everyone to live a full and authentic life. With the way we prioritize academic success alongside overall wellness, I can't think of a better place for learners to shape their futures – and our collective future as well.

I'm excited to welcome you now, and I truly can't wait to do it again when you come in through our doors.

▸ **Rob Kardas**
President & CEO

Land Acknowledgement

Lambton College is located on the beautiful homeland that is the traditional territory of the Ojibwe, Potawatomi and Odawa Nations. These three individual Nations make up the traditional Three Fires Confederacy. We acknowledge the grace and the welcome they have offered to all students and staff at Lambton College.

WHY CHOOSE LAMBTON COLLEGE

We Innovate

Lambton is unparalleled in its applied research output, impact, and industry partnerships. Our research facilitates new solutions for community and industry partners in the region. Close relationships with industry and business mean curriculum stays current and relevant.

We Care

Lambton puts people first to support personal, professional and civic growth. The Lambton way is personal, safe, supportive, and helpful.

“

When you walk down the halls, you always see familiar faces. You know your professors and call them by first name. They're very passionate about the success of their students.

▸ Kyle
Child & Youth Care Graduate

We are Inclusive

Lambton is a place where people find a sense of belonging. It is accessible and inclusive, and welcomes people from diverse backgrounds. People know you at Lambton, creating a close-knit atmosphere. Learners of all types, no matter their age, nationality, ethnicity, or background are welcomed and supported as members of the Lambton community.

We are Dynamic

Lambton is a catalyst for positive change and a symbol of community progress. Lambton grads are leaders of, and contributors to, the social, cultural, and economic development of the region and the province.

YOUR ON-CAMPUS EXPERIENCE

Lambton College boasts a vibrant student community filled with tons of opportunities for personal growth. Whether you're into sports, social causes, or anything in between, we have a diverse range of clubs and groups to suit your interests. Not only will you have the chance to explore your passions, but you'll also have plenty of opportunities to make new friends and feel like a part of our welcoming community.

“

Being a student at Lambton is so much more than just coming into the classroom, sitting down and learning from your professor. It's actually getting involved in all of these various extra-curricular activities.

Business Administration -
Accounting Graduate

Get Involved

ATHLETICS & FITNESS

Whether you're a varsity athlete, want to join an intramural team or you're looking to work on your fitness, we encourage every student to join the pride. Choose from over 50 intramural teams, stay fit at our 6,000 sq. ft. Cestar Group Athletics & Fitness Complex, or try out for a varsity team. There are plenty of ways to find your roar as a Lambton Lion.

Lambton College

STUDENT ADMINISTRATIVE COUNCIL

Want to leave your mark on campus? Join the Student Administrative Council (SAC), the student group that plans events and fundraisers, gives input on campus updates, and supports new student initiatives. Our SAC is a great way to stay engaged and shape your college experience.

Lambton College

Lion's Mind

LION'S MIND

The Lion's Mind creates, fosters and helps maintain human connections by providing a peer-to-peer, resource-rich, safe space of belonging for all students to support mental wellness. The Lion's Mind assists in crisis prevention using a relational approach, with referral access to clinicians when necessary.

i All students receive a membership to our Cestar Group Athletics & Fitness Complex which is equipped with top-of-the-line equipment.

› For a complete list of programming opportunities and hours of operation, visit lclions.ca.

ENACTUS LAMBTON

Our global award-winning student group has created life-changing projects that have positively impacted thousands of lives. Project One Circle has helped address food security concerns in Indigenous communities across Canada by implementing greenhouses, aquaponics facilities, and food forests.

GENDER & SEXUALITIES ALLIANCE

A safe space on campus for 2SLGBTQ+ identifying individuals. The Gender & Sexualities Alliance provides a chance for students to connect, learn, and see themselves within the Lambton College community. Driving change for a more inclusive campus environment to create long-lasting impacts on the lived experiences of all students. This is a place where all are welcomed.

INTERNATIONAL WOMEN'S CLUB

The International Women's Club is a fantastic opportunity for female students to connect, learn, and grow in a supportive, fun, inclusive environment. Network with fellow students, share experiences and challenges, and explore the broader community. Make lifelong friends while celebrating diversity of culture and perspective.

ALL LIONS ARE WELCOME IN THIS PRIDE

We believe the rich diversity among our student body and the communities we serve should be reflected throughout our campus.

“

As a student, I think for true learning and innovation to happen for me, I need to bring my true authentic self to the learning space.

▸ **Mallika**
Lambton College student

Lambton College is proud to be a community leader in equity, diversity and inclusion. As such, we have a significant responsibility to continue building on the important work we have already done as we seek to create a college community in which everyone has the opportunity to live a full and authentic life.

In support of this commitment, we have:

- 🗣️ Developed the Student Success Team Model and added Student Success Navigators to support all students, including at-risk and underrepresented student populations.
- 🌐 Created culturally diverse student life programming including celebrations for international holidays.
- 👥 24/7 counselling services available in different languages for all students.
- 🗂️ Dedicated staff facilitator to lead our Lion's Pride – Gender & Sexualities Alliance.

At Lambton College, we understand that success isn't just about top grades, but it's also about physical and emotional support. We are proud to provide many services to students to support their mental health and well-being. To make the transition to college easier, our students have access to on-site counsellors, health professionals, outreach programs, and support groups. We offer personal counselling as well as academic and career counselling.

i We are proud that 84% of Lambton College students feel that they have opportunities at the College for academic success that are similar to those of their peers.

EXPERIENCE SARNIA

Sarnia is the largest city on the shores of Lake Huron and enjoys one of the warmest climates in Canada.

Want to get outside?

Sarnia offers a beautiful waterfront with sandy freshwater beaches, over 100 parks, and a network of recreational trails that directly connect to campus providing safe routes for students. It is a border community with easy access to the United States across the St. Clair River and home to the Sarnia Sting, a junior ice hockey team in the Ontario Hockey League, who play out of the Progressive Auto Sales Arena located on campus. Don't forget to visit Sarnia's famous chip trucks parked under the Blue Water Bridge for some fresh cut fries.

SCHOOL OF APPLIED SCIENCE, ENGINEERING TECHNOLOGY & TRADES

“

I was the most experienced person at my first job after Lambton College.

▶ **Colin**
Millwright Mechanical
Technician Graduate

Gain hands-on experience with industry-relevant programs in state-of-practice facilities.

Lambton College’s School of Applied Science, Engineering Technology & Trades offers an exceptional educational experience that equips you with the knowledge and skills you need to excel. With a focus on hands-on learning, you will have access to state-of-practice facilities, cutting-edge technology, and expert faculty who are dedicated to ensuring your success.

With a strong emphasis on industry connections, you will benefit from co-op placements, and real-world projects, giving you a competitive edge in the job market. Whether you’re just starting out in your career or looking to take it to the next level, Lambton College’s School of Applied Science, Engineering Technology & Trades is the perfect place to launch your future.

i Our Centre of Excellence in Energy & Bio-Industrial Technologies recently received a \$14.2 million upgrade including the addition of 7,000 sq. ft. of training space. This space gives you the opportunity to collaborate with industry in state-of-practice laboratories that support learning and research in next-generation technologies.

SCHOOL OF FIRE SCIENCE, HEALTH & COMMUNITY SERVICES

“

When I came to Lambton, I didn't know what I was expecting. But I came here, and the teachers were really hands on, and I felt so welcome in my program.

▸ Jala
Police Foundations Graduate

Develop the skills and knowledge you need to make a difference in your community.

Lambton College's School of Fire Science, Health & Community Services gives you access to simulated environments, experiential learning opportunities, and clinical placements that allow you to apply your knowledge and gain valuable experience. You will develop relationships with faculty, who not only work in the field, but are connected to community members and future career opportunities.

Looking to make a meaningful impact in your community? Within the School of Fire Science, Health & Community Services you will have a chance to apply your knowledge in real-world settings while strengthening your leadership and teamwork skills, all while making your community a better place.

i Considering a career in firefighting? Train at the Lambton College Fire School, Canada's largest live-fueled training centre, and learn from cross-specialty, connected, career firefighters. You will see live fire on a weekly basis and receive 280+ hours in training and hot gear.

APPRENTICESHIPS

Apprenticeship training provides students with the learning they need to become skilled workers while building employment experience and gaining hands-on skills.

Apprentices have the opportunity to earn as they learn, making money while attending school. Attending classes is part of certification and Lambton College makes that classroom experience worthwhile. If you are interested in becoming an apprentice, you can choose a variety of entry points depending on where you are in life and what training model works best for you.

Still exploring the trades? Several of our full-time programs are designed to get you ready for an apprenticeship. Earn a credential while you prepare for your next step. Graduates of these programs may have more success in finding employers, contractors, or trade unions willing to register them as an apprentice, and many have the opportunity to apply their in-class learning towards their apprenticeship.

MATURE STUDENTS

TAKE THE NEXT STEP

i 1 in 5 Lambton College students are over the age of 25. We have a vibrant community with a high population of mature students, making Lambton College an ideal place for individuals seeking to pursue higher education and expand their horizons.

Whether you're seeking to upgrade your skills, change careers, or expand your knowledge, being a mature student brings unique advantages that can make your educational journey even more fulfilling.

Returning to school as a mature student gives you the chance to pursue your passions. It's never too late to embark on a new career path with a clear sense of what you want to achieve. While balancing the demands of family, work, and education might seem challenging, we are here to support you every step of the way.

Mature Student Assessments:

Applicants who do not meet the admission requirements for some programs at the college may be eligible for mature student assessments. In order to be eligible to write the mature student assessments, students must:

- › Be 19 years of age or older
- › Not possess an O.S.S.D. or equivalent (usually)
- › Be out of school for at least one year

Need to upgrade your qualifications?

Academic Upgrading is an in-class, free, flexible, supportive program designed to help students meet their individual college, apprenticeship or employment goals. Our in-class program guides students back into the academic world by creating a plan to bring their reading, writing and other essential skills up to the end of high school level.

“

You are going to leave Lambton fully prepared to go on and start your career.

EMPOWERING STUDENT SUCCESS

Our Student Services team is committed to providing you with the support you need to succeed both inside and outside the classroom.

Take advantage of the amazing student supports and services we have to offer.

ACADEMIC UPGRADING

An in-class, free, flexible, supportive program designed to help students meet their college, apprenticeship, or employment goals. We guide students back into the academic world by creating a plan to bring essential skills up to the end of high school level.

ACCESSIBILITY SERVICES

Students have access to counselling, accommodation planning, learning strategies, and assistive technology instruction, as well as other accessibility and advocacy supports.

ATKIN FAMILY WELLNESS CENTRE

The Atkin Family Wellness Centre is available to all students and provides numerous health and wellness services. The Centre has an on-staff, full-time Registered Nurse, and hosts two Nurse Practitioners.

CAMPUS SHOP

Discover a world of convenience and college essentials at our vibrant Campus Shop. From textbooks and school supplies to trendy apparel and snacks, we've got everything you need to enhance your college experience.

CAPSTONES

Capstones is Lambton College's on-campus restaurant, and is an applied learning environment utilized by the Culinary Management programs. Visit Capstones to enjoy the professional service and culinary magic created by our students.

CESTAR GROUP ATHLETICS & FITNESS COMPLEX

Our fitness complex features a state-of-the-art 6,000 sq. ft. Fitness Centre available for students throughout the year. Equipped with top-of-the-line weight and cardio equipment, there are options for every fitness level.

CHAPLAINCY SERVICES

Our on-campus chaplain is available to assist any students interested in exploring and cultivating a meaningful, spiritual dimension in their lives while navigating the opportunities and challenges of college life.

CO-OP & CAREER SERVICES

Serving the co-op, internship, and employment needs of students by assisting with cover letters, resumes, mock interviews, and career advising. Students can also access guidance for connecting with employers and pursuing professional goals.

i Student Success Navigators – Lambton College provides all students with personalized help through dedicated Student Success Navigators who can assist you with various college processes, such as accessing online platforms, connecting with on-campus services, and providing connections to community resources to ensure student success. Our Student Success Navigators care deeply about every student’s journey.

COUNSELLING

Counselling offers invaluable support, providing you a safe and confidential space to guide your mental well-being and academic success. Students can book appointments for personal, academic and career counselling at no charge.

ESPORTS ARENA

The Esports Arena is a multi-purpose learning and entertainment venue that is accessible to the college community. The arena provides students with a dynamic platform to foster teamwork and critical thinking within the realm of competitive gaming.

FINANCIAL AID

Financial aid supports play a pivotal role in empowering students by removing financial barriers and enabling access to education. We can assist you when applying for the Ontario Student Assistance Program (OSAP), bursaries and scholarships.

INFORMATION TECHNOLOGY

Our IT Service Desk team provides support for all students. We offer prompt assistance and troubleshooting for technological challenges, ensuring smooth access to online resources.

INDIGENOUS STUDENT CENTRE

An accepting place to learn in a culturally sensitive environment for students with Indigenous backgrounds, including First Nation, Inuit and Métis. The Centre provides a supportive place devoted to helping Indigenous students achieve their goals.

RESEARCH & INNOVATION

Through collaboration, Research & Innovation at Lambton College has built a strong network of research partners and has grown to offer high quality labs, facilities and an exceptional research team that supports a multitude of research projects.

SALON & SPA

The Salon & Spa at Lambton College is both a teaching facility for students and a full-service spa opened to the public. Guests of the Salon & Spa are afforded a relaxing spa experience in a professional learning environment.

LIBRARY SERVICES

A wonderful place to learn, develop and grow. Our library team is available support you with resources and shared knowledge, while inspiring curiosity, growth, and collaboration among all students, faculty, and staff.

TESTING CENTRE

Our Testing Centre is designed to be a quiet and distraction-free environment, which can help students focus and perform better on their exams. We accommodate all needs, ensuring that all students have equal access to testing opportunities.

THE LION’S HEART

An emergency food bank providing support services for all students in need or crisis. Students can also access gently used professional clothing for classroom presentations or workplace interviews, as well as warm winter clothing.

TUTORING SERVICES

Tutoring services are free for students and available in most core subjects. Tutors are either senior students or professional teachers who will assist students with understanding concepts and methodologies.

EMPOWERING INDIGENOUS STUDENTS

The Indigenous Student Centre provides full service support for Indigenous students, including First Nations, Métis and Inuit.

As an Indigenous student, you can use the Indigenous Student Centre as a place to access advisors, to study, relax or hang out with friends.

Indigenous Education at Lambton College is guided by the Indigenous Education Council, which is made up of First Nations communities, Indigenous organizations, students, staff, and administration.

Our Indigenous Student Council members are actively engaged in many activities across the college as representatives of the Indigenous student body. These student leaders are provided mentorship, while being mentors. This unique approach allows our students opportunities to develop their leadership and personal skills, while making friends and building relationships.

i Coming Soon – Indigenous Outdoor Gathering Space
A venue to connect with culture, socialize with peers, and learn.

At the Indigenous Student Centre, students can access:

- › Academic Advising
- › Student Success Navigation
- › Indigenous-specific Financial Advising
- › Traditional Elders
- › Visiting Speakers
- › Tutoring
- › Academic and Cultural Workshops
- › Laptop/iPad Loans
- › Lunch Program
- › Student Socials

IGNITE YOUR CURIOSITY

We know engaging students in applied research activities provides the best platform to reinforce educational programming, provide connections with industry, develop new skills, and enhance employability.

Applied research at Lambton College has a strong network of research partners and offers high quality labs, facilities and an exceptional research team that support a multitude of research projects. We provide a collaborative platform for you to work on research projects across a wide range of industries helping you gain experience in your field.

Through access to the expertise of faculty, researchers and students, Lambton College has an overarching goal of driving economic, environmental, and social impacts. We seek solutions to real world problems, providing direct impact and benefits to partners through applied research. We are proud that continued strength in research, while fostering a culture of innovation for students, has repeatedly landed us a top spot on the list of Canada's top research colleges for seven consecutive years.

“

Before this experience, I had no background in research, I did not feel qualified, but I have had so much support and a great mentor through all of this.
