

Business Management International Business and Global Business Management Ontario Graduate Certificates

Students who wish to apply to study in the Business Management International Business and the Global Business Management Program Ontario Graduate Certificate are required to carefully read this agreement and sign below indicating that they fully understand and accept the terms and conditions of studying within the BMIB and GBM program.

Once you complete your program at Lambton College you are **eligible** to complete the professional exam or assessments to earn your Forum for International Trade Training (FITT) Certificate or Diploma in International Trade. Students who graduate from an International Business program do not receive their FITT Certification; however, students will be eligible to transfer credits towards earning their certificate or diploma.

Upon enrolment to an International Business Program, students who choose to pursue the Forum for International Trade Training (FITT) diploma are required to apply and pay the cost associated with achieving the FITT educational credential of **\$575 + HST**. This payment includes access to **all 8 FITT Skills eBooks, transfer of credits to FITT and access to the applicable FITT assessment(s)**.

Students can purchase all 8 FITT skills textbooks individually (paper based or online) to support completion of FITT based courses within the GBM or BMIB program. If students buy the textbooks individually, payment of **\$575.00 +HST** will still be at an **additional cost** to the students in order to achieve the FITT educational credentials. **FITT will not discount the price of any textbooks bought separately.**

As students successfully complete one of the accredited programs at Lambton College, you are eligible for the following:

1. Apply to transfer their credits directly to FITT and complete the required assessment(s) in order to receive the FITT Certificate in International Trade for completing the equivalency of 4 FITTskills courses; OR,
2. Apply to transfer their credits directly to FITT and complete the required assessment(s) in order to receive the FITT Diploma in International Trade for completing the equivalency of 8 FITTskills courses;

STUDENT ACKNOWLEDGEMENT

I understand that the FITT credentials are an optional component of an International Business program at Lambton College and are to be completed in addition to one of the Lambton College programs (BMIB or GBMN) or through credit transfer. However, if I wish to pursue FITT credentials I am aware that the cost is **\$575 + HST** that should be paid **PRIOR** to purchasing any textbooks. Then I will need to complete the official FITT requirements as listed above.
